

TRUCK DRIVER

Occidental Chemical Corporation (OxyChem) is seeking professional drivers to make deliveries from our Geismar manufacturing facility to customers throughout the U.S. The successful candidates must be available to make trips both as a team and single person operation.

Minimum qualifications are:

Must have a good safety and accident record

High school diploma or equivalent,

Minimum of two (2) years OTR driving experience,

CDL with Tanker and HazMat endorsement,

Ability to obtain TWIC card.

Previous experience transporting chemicals is a plus.

OxyChem offers an excellent wage and benefits package which includes paid vacation, company matching 401K plan, and a medical, dental and prescription drug plan. Our Drivers return to Geismar after each delivery and their schedule allows them to be off every other weekend.

Qualified individuals are invited to apply online at www.oxy.com. For more information about the job you may also call Brent Burrell at (316) 529-7315

OxyChem is an Equal Opportunity Employer M/F/V/D.
